For Lubricating the Valves and Cylinders of Steam Engines.

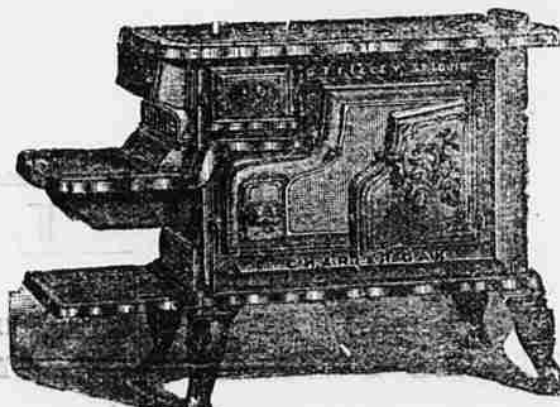

VALVOLINE is an earth oil specially prepared under the highest steam
heat and from which all volatile and earthy matter has been expelled by a
process which leaves a pure and heavy oil, which prevents the eating away
of bolts and keeps the cylinder and piston packing perfectly clean. This
was the first Mineral Oil introduced for steam cylinders and has been in con-
stant use over eighteen years.
We also manufacture Superior Machine and Spindle Oils for all
classes of machinery.Leonard & Ellis,

THE LEGISLATURE.

SEVENTIETH DAY.

WEDNESDAY, Sept. 3.

AFTERNOON SESSION.

The House resumed at 2 o'clock.
Minister Brown, for the Cabinet,
answered the questions of Rep.
Marques regarding certain projected
removals from office as follows:In answer to the question pro-
posed by Hon. A. Marques on the
2d inst., I have to say that the
Ministers are unaware of the fact
stated by Rep. Marques, "that the
National Reform Party have per-
sistently demanded the removal from
office of a certain few individuals
notorious for their incompetence or
their offensive and active partizanship
in politics," and they cannot
and do not believe that the National
Reform Party or any political or-
ganization has become so demoralized
over the pursuit of office as the
statements of Rep. Marques would
lead them to infer.In reply to the question as to
"what the Cabinet proposes to do
in the matter, are any changes to be
made, and if so, when?" the reply
is that such changes as are found
to be necessary or expedient will be
made with due regard to the effi-
ciency of the public service and at
such time as the Cabinet may deem
appropriate. The Cabinet further
desire to state that they are exceed-
ingly surprised at the tone and tenor
of the questions asked and would
inform the honorable gentleman that
they consider their "word of honor"
to be above the innuendoes and slurs
sought to be cast upon it in the
fourth paragraph of the questions,
and also to inform the honorable
gentleman of a fact which he seems
to have overlooked that the Cabinet
when they took office swore to faith-
fully discharge and perform the du-
ties pertaining to their several of-
fices, and they consider that they
would be violating their oaths in re-
cognizing and carrying into effect
the spoils system.Rep. Kalua moved the reply be
accepted and laid on the table.Rep. Marques seconded the mo-
tion. It was not his intention to
discuss it now. The matter could
be settled later.The motion carried.
Rep. Kalua resolved that after
September 8th no more bills be in-
troduced, except such as have been
noticed. Adopted.Noble Burchard resolved that the
Committee on Accounts be author-
ized to pay the bills of the Special
Committee to Investigate at the Ka-
lihi Hospital. It appeared that the
charges for cab hire were excessive.
Rep. Knudsen said the members
of the committee on accounts
thought the charges for hack hire
extravagant, and it was proper
therefore that the matter should
have been brought before the House.
Thirty-six dollars a day for car-
riages was extravagant and should
not be paid.Noble Muller wanted more infor-
mation on the subject.Rep. Paehole said the committee
had made three trips out there, and
did not always go together. The
heaviness of the charge was due to
waiting time. One afternoon the
carriages were engaged from half-
past one to six. Other members of
the House went out, but the drivers
charged the same for waiting in the
case of one man as of several. Com-
mittee members had to be driven
home, and one lived at the junction
of Waikiki road, another up Liliha
street, etc.Noble Kauehane thought a saving
could have been made by hiring the
hacks by the day.Rep. Kalua further explained the
matter.

The resolution was adopted.

Rep. Bush read a first time by
title his bill to amend Sec. 48, Civil
Code, relating to juries. Read a
second time by title and referred to
select committee on that subject.Noble Crabbe submitted a resolu-
tion, asking the Minister of the In-
terior to furnish the House with a
copy of the lease, by the late Gov-
ernment to the Oahu Railway &
Land Co., of the western part of the
harbor. Adopted.Rep. Kalua moved that all amend-
ments to the Constitution be taken
from the table and referred to the
select committee on that subject.
Carried.Rep. Cummings read a first time
by title his bill to encourage the cul-
tivation of coffee.**ORDER OF THE DAY.**Second reading of the Hawaii
Railway Bill.Noble Phillips, in view of the tem-
per of the House in regard to the
Oahu Railway Bill, to which this bill
was similar in principle, asked leave
to withdraw the bill.Rep. Kalua moved that the bill be
made the order of the day some day
next week. They should hold on to
the bill for fear it might not come
back.Rep. Brown supported the request
of the introducer for leave to with-
draw the bill.Noble Muller, to save the time of
the House, moved the bill pass to
engrossment.The motion for leave was carried.
Third reading of the bill to create
cantonniers or permanent workers on
the public roads.The President interrupted the in-
terpreter's reading by saying it was
not necessary to read further, as a
section had been left out of the billand it would have to be referred
back to the enrollment committee.Third reading of bill relating to
liens on public highways.
Minister Brown moved the bill
pass. Carried.Consideration of the Appropria-
tion Bill in committee of the whole.
Noble Phillips was called to the
chair.Support of English, Hawaiian,
and Common Schools, \$170,000; re-
port of select committee recom-
mending \$190,000, with \$20,000 for
St. Louis College and affiliated
schools.Rep. Brown moved to strike out
"Salary Deputy Inspector, \$4500,"
as the committee say it is included
in the general appropriation. Car-
ried.Rep. Brown moved that the item
for support of schools pass at \$190,-
000 as recommended.Noble Baldwin asked for the rea-
sons.Rep. Marques said the Board had
originally asked for \$180,000 and
the extra \$10,000 was recommended
on account of the proposal to in-
crease teachers' salaries.

Passed at \$190,000.

Rep. Brown moved that the item
of \$12,000 for the Reformatory
School pass.Rep. R. W. Wilcox moved it be
struck out.Rep. Brown understood that there
were fourteen boys in the school.
There was no other place for boys
who got into mischief. It was an
institution such as every civilized
country possessed. Boys ought not
to be sent to prison to associate with
criminals. It would be a great mis-
take to strike the item out.Noble Crabbe said that on the
former consideration of these items
he moved that this one be struck
out. He would now move that the
item be reduced to \$6000.Noble Baldwin had not been
through the institution, but in pass-
ing it had been struck with the ap-
pearance of the surroundings. There
was a necessity for an institution of
this kind, and he would not like to
see the appropriation diminished.
Perhaps the school had not been
kept up as it should, but let them
vote the \$12,000 and probably some-
thing would be done toward im-
proving it.Noble Burchard supported the
passage of the item at the full
amount. There was no question as
to the necessity of such an institu-
tion, not only for the class men-
tioned but for boys whose parents
could not control them. He de-
scribed a case in point coming under
his own observation.Rep. K. W. Wilcox would with-
draw his motion if the Board would
give assurance of putting a live man
in charge. There were only four
boys in the school a short time ago,
and the principal was getting \$100
a month with an assistant at \$70,
and another native assistant. The
speaker made reflections on the
character of the principal, and said
that if the Cabinet amounted to
anything it would turn the whole
Board of Education out.Noble Pua was in favor of the
motion to strike the item out. The
report of the President of the Board
of Education gave no encouraging
report of the school.Minister Brown reminded mem-
bers that the expenses of the school
since March 31 had to be paid, so
that the item could not be entirely
struck out. Under a former man-
agement the school was a terror to
the neighborhood, from the depre-
dations of its pupils. He had not
heard of anything of the kind lately.
There are fourteen boys now in the
school. If only two or three boys
were saved from the gutter by the
institution, it would be worth while
maintaining it.Rep. Nawahi moved the committee
rise. Carried.Noble Phillips presented the re-
port, which was adopted.
The House adjourned at 4 o'clock.**E. B. THOMAS,**
